

Qwest Choice™ Long Distance

Simple, easy to understand, cost effective

At last, a simple, easy-to-understand long distance plan that delivers fair competitive pricing for business service. Qwest Choice Long Distance is the spirit of service in action.

With Qwest Choice Long Distance the choice is simple and easy to understand. You can apply the decision-making process quickly and be confident you are receiving a fair plan - you never pay more than \$25.00 per line per month in long distance charges for all your direct-dial domestic long distance. If you purchase a local service package you receive an even lower cap - \$20.00 per line per month - and get a combined bill* for easier management of your telecommunication expenses.

Qwest Choice Long Distance provides your business with:

- Low rates, high-value - talk a little you pay \$.05 a minute - talk a lot and you never pay more than \$25.00 a month in long distance charges
- Month-to-month flexibility - no term commitment
- A full year of price protection
- No monthly plan fee
- Further discounts with the purchase of a local service package - \$20.00 per month cap of long distance charges with purchase of any of the following packages:

- Qwest Choice™ Business
- Qwest Choice 2-Line Business
- Qwest Business Line Plus™
- CustomChoice® for Business
- Centrex 21

- A single, easy-to-read bill for long distance and local service*
- Responsive customer service available Monday through Friday 7 a.m. to 7p.m. local time

With Qwest Choice Long Distance, you get a simple, flexible plan that combines a competitive \$.05 per minute with a cap at \$25.00 per line per month in long distance charges. You can package it with local service and pay \$5.00 less per line per month.

Qwest is an experienced telecommunications provider focused on delivering the utmost in service and value, as well as a single source for all your communications needs.

*Single bill option available to customers with services and locations in a single state. Customers with locations across multiple states may still receive multiple bills.

Qwest Choice™ Long Distance Plan for Business is available only to Qwest local service customers for business use. Not available in MT. Certain use restrictions apply except in CO. Long Distance service provided by Qwest Long Distance. Rate covers calls within the US, Puerto Rico, Guam, USVI and CNMI and do not include taxes, incremental charges and surcharges. Subject to applicable tariffs and regulations.
