

## Teletronics, Inc. Receives Top Industry Award From Clearly Communications

TUCSON, AZ — June 18, 2015 — Teletronics, Inc., a leading unified communications provider, announced today that the company received Clearlyfly's top award at the 15<sup>th</sup> Annual TAG Convention held in Savannah, GA in April. Technology Assurance Group (TAG) is an international organization of independently owned unified communications companies in the United States and Canada. Clearlyfly selected Teletronics, Inc. as the winner of the Excellence in Customer Satisfaction for SIP Delivery and Support Award. Teletronics, Inc. accepted the award at the prestigious awards ceremony attended by the dominant forces of unified communications, including TAG's Member companies and leading technology manufacturers.

After 2014 Clearlyfly analyzed a great deal of information including overall customer satisfaction, their partners ability to coordinate timely ports, their ability to move, add or install a new system with minimal to zero down time, and how frequently the partners were able to coordinate all of these tasks seamlessly. The result was very high customer satisfaction and so they chose to award their top partners. "The importance placed on one's ability to communicate over today's IT infrastructure couldn't be more

critical to a business, and we are proud to say these partners performed excellent", said Sam Johnson, Channel Account Manager for Clearlyfly. "Coincidentally a majority of award winners were also members of TAG." The award was received by Andy Schneider, President of Teletronics, Inc.. "We are honored to accept this award. Our company always strives to be on the leading edge of technology," said Mr. Schneider. "Clearlyfly provides industry leading Session Initiated Protocol (SIP) trunking to our customers and we're proud to be their business partner."
