Say Goodbye to Traditional Fax

- Ever Run out of Fax Toner?
- Ever Run out of Paper?
- Ever get a busy signal when trying to Fax?
- Ever wish you didn't have to get up and walk to the fax machine or stand by it waiting for a personal fax?
- Ever wish you could just fax a document without printing it first?

Welcome to Clearfly cFax

- **Save Money** – Eliminate the cost of Toner/Ink, Paper, Separate "Fax" line, and long distance costs. Clearfly's cFax comes in multiple sizes designed and proven to save you money.
- **Save Time** – Send, Receive, Forward and verify receipt of your fax all from your desk.
- **Simplify** - Experience the efficiency of simply faxing documents from your email. Never again will you need to print a document, walk to the fax machine, send the fax and then go back to verify that it was sent. All Faxes and Emails stored in one (1) place.
- **Protect your Investment** – Clearfly's cFax can also be setup so you can continue to use your existing fax machine if you prefer. Whether you just want to send or send and receive from your fax machine, cFax is your solution.
- **Never a Busy Signal** – Whether you are sending or receiving a Fax, you will never receive a busy signal. Clearfly's cFax will always receive the incoming fax and deliver it to you. Same with outgoing, send the fax one (1) time and Clearfly will continue to attempt to deliver the fax until we receive a confirmation.
- **Secure** – cFax allows you to enable password protection on all incoming faxes.   US Government approved AES-128 encryption is used.

cFax Features

- **5 Email Addresses** – Up to 5 Email addresses can be setup to send, receive or send & receive faxes.
- **Incoming Fax Format** – Incoming fax format can be received as either .pdf or .tiff.
- **Outgoing Fax Attachments** - .pdf, .tiff, .txt, .jpeg, & .png files can all be attached to your fax email.
- **Auto Generated Cover Letter** - cFax will automatically generate a cover letter based on your email & signature.
